

RE.: Letter of Reference

To Whom It May Concern:

I have known Gary Szabo for the past 4 years. He has coached in the Nova Centurion Basketball national league squads and has been a staff coach at the Nottinghamshire School of Basketball.

It has been a privilege to know and work with such an outstanding young man. He is very intelligent, reliable, and honest and produces great results. He enjoys teaching and being part of an organization. He gets along well with colleagues and maintains a good appearance. His work ethic is outstanding and he is pro-active in achieving goals. He communicates well and will seek advice in difficult situations. Gary can work unsupervised and is good at reporting progress in achieving his targets.

I would recommend Gary to your organization unreservedly. It is difficult to find employees of his caliber. If you have any questions feel free to contact me on details below.

Yours Sincerely,

Jimmy Smith
