

RE: Reference of Gary Szabo

Dear Sir/Madam

Gary Szabo is an excellent coach and teacher of the game of basketball. He communicates well with his players being able to stress the importance of the fundamentals of the game for the individual along with the ability to create a cohesive unit on the floor. Furthermore, he has a thirst for knowledge. He wants to be a better coach everyday that you work with him. He constantly asks questions of those he respects in the profession and how he can improve as a coach. He has a very bright future as a coach and a teacher. Please feel free to contact either of us with any questions.

Sincerely,

Morgan and Joe Wootten
